Summary

Aspiring **Full-Stack Developer** (B.Tech CSE, 2026) with strong foundation in **web/software development, databases, and project management**. Currently interning as a **Team Lead** at **MRSAC, Nagpur**, managing a hybrid team on a live project. Skilled in **JavaScript, Node.js, React.js, MongoDB, NestJS, Next.js**, with experience in backend APIs and responsive UIs. Strengths include **problem-solving, leadership, teamwork, adaptability**, and delivering under deadlines. Passionate about building digital solutions that create impact and eager to contribute in professional software development roles.

Experience

Maharashtra Remote Sensing Applications Centre (MRSAC) — Intern Nagpur Jun 2025 – Dec 2025

- Leading a hybrid team of 6 on **Student Internship Tracking System**, a live digital platform for internship management.
- Overseeing task distribution, sprint planning, and requirement gathering; ensuring project deadlines are met.
- Implemented backend APIs using **Node.js + MongoDB**, and contributed to frontend modules using **React.js + Nest.js**.

NRsolution4u — Web Development Intern Nagpur Dec 2024 – Jan 2025

- Built responsive websites using **HTML, CSS, JavaScript**, focusing on cross-device compatibility.
- Collaborated with senior developers on code reviews and feature integration.
- Improved page performance by optimizing CSS structure and reducing redundant scripts.

Projects

Student Internship Tracking System (MRSAC Live Project) A full-scale platform to digitally manage internship records. Implemented user modules, approval workflows, and reporting dashboards. Responsible for leading team coordination, API design, and system testing.

Blog Web App (GitHub) — NestJS + Next.js + TypeScript Developed a secure blogging platform with post creation, authentication, and responsive design. Focused on modular backend (NestJS), clean UI with Next.js, and database integration using MongoDB.

Portfolio Website (swarajharode.com) — HTML, CSS, JavaScript Designed and deployed a personal portfolio showcasing skills, projects, and contact information. Emphasized responsive design and professional branding.
